

TABLE 1. Percent of full-time employees covered by unpaid family leave plans by establishment and selected occupation characteristics, 1994-96

Establishment and occupation characteristics	Small private establishments		Medium and large private establishments	State and local governments
	1994	1996	1995	1994
Establishment				
All establishments	47	48	84	93
Goods producing	41	40	87	91 ¹
Services producing	49	50	82	94 ²
Region				
Northeast	55	61	87	99
South	43	43	87	96
Midwest	44	46	80	84
West	52	45	81	91
Occupation				
Professional and technical	53	53	89	93 ³
Clerical and sales	50	52	86	96 ⁴
Blue collar and service	43	43	80	90
Union status				
Union	61	62	82	94
Nonunion	47	47	85	92

¹ Full-time employees in State governments.

² Full-time employees in local governments.

³ Full-time white-collar occupations, except teachers, in State and local governments.

⁴ Full-time teachers in State and local governments.

TABLE 2. Percent distribution of full-time employees with unpaid family leave by weeks of leave entitlement, 1994-96

Weeks of unpaid family leave entitlement	Small private establishments		Medium and large private establishments	State and local governments
	1994	1996	1995	1994
All occupations				
Total	100	100	100	100
Under 12	8	10	1	1
12	79	82	86	67
Over 12	13	8	13	31
Average	13.2	12.4	13.9	27.9
Professional and technical ¹				
Total	100	100	100	100
Under 12	6	11	1	1
12	76	78	82	64
Over 12	17	11	17	36
Average	13.8	12.4	14.5	27.2
Clerical and sales ²				
Total	100	100	100	100
Under 12	5	10	1	1
12	79	83	82	72
Over 12	15	7	17	26
Average	13.0	12.6	14.5	25.4
Blue collar and service				
Total	100	100	100	100
Under 12	9	9	1	1
12	81	84	91	68
Over 12	10	7	8	30
Average	13.0	12.4	13.2	31.4

¹ In State and local governments, estimates are for full-time white-collar occupations, except teachers.

² In State and local governments, estimates are for full-time teachers.
